# Devotionals and Books

## *Mimi's Note*

is a touching story that gives readers of all ages a glimpse into childhood grief. This may this be a helpful resource for teachers and parents that are providing gentle guidance and support to a child navigating the loss of a loved one.

## *Chasing after Jesus*

is a teen devotional that offers young ladies growing in their faith a way to discover what it really means to be a priceless treasure. Jesus wants us to have a relationship with Him, and to live a life that glorifies Him. In other words, He wants us to live our best life. We must simply be willing to open our heart and be ready to listen.
